Rulemaking 02-01-011
(Filed January 9, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING
REVISING PROCEDURAL SCHEDULE**

This ruling is issued to revise the procedural schedule in this matter.

The Department of Water Resources (DWR) has provided illustrative analysis for purposes of recent workshops on cost responsibility of direct access customers in this proceeding. At the April 12, 2002 workshop on this subject, DWR was requested to provide the results of certain sensitivity cases, along with explanatory description of those analyses, which were to be due by Friday, April 26, 2002. On April 24, 2002, DWR sent a letter to Assigned Commissioners Brown and Wood, indicating that the completion of these sensitivity cases, and documentation thereof is requiring more time than expected. To provide sufficient time to complete the analyses and to provide parties to the proceeding with the requisite information, DWR indicated it needed one additional week.

Accordingly, the due date for DWR to provide the results of the sensitivity modeling runs to parties shall be extended by one-week to May 3, 2002. Likewise, the due dates for the submission of prepared testimony shall be revised. The due date for opening testimony shall be revised from May 13 to

May 20, 2002. The due date for reply testimony shall be extended from May 28 to June 3, 2002. The previously scheduled dates for the prehearing conference and for evidentiary hearings shall remain unchanged.

IT IS RULED that:

1. The due date for Department of Water Resources to provide the results of the sensitivity modeling runs to parties shall be extended by one-week to May 3, 2002.
2. The due date for opening testimony shall be revised from May 13 to May 20, 2002.
3. The due date for reply testimony shall be extended from May 28 to June 3, 2002.
4. The previously scheduled dates for the prehearing conference and for evidentiary hearings shall remain unchanged.

Dated April 29, 2002, at San Francisco, California.
